capulet chandelier - brass

Shakespeare's Juliet was a Capulet. We thought long and hard how to make this beautiful chandelier elegant, without tipping over the top. we've very deliberately kept the central brass belt plain so as to allow all the glass to do the talking. The shape, we feel, is perfect, and the drops and beads of glass make the light sing.

Height	67cm
Wingspan	54cm
Ceiling Rose Diameter	13cm
Chain Length	2m
Flex	Olive green braided three core flex
Minimum Drop	82cm
Weight	12kg
Bulb Type	B22
Number of Bulbs	4
Dimmable	Yes
Wattage	8W
notes	Self assembly is required
Material	Brass and Glass
