Duofix 980mm Install Frame With Delta 120mm Concealed Cistern

Designed to last, Geberit Delta frames incorporate tried and tested materials that will serve you for years to come. Installed 60 million times over the past 50 years, Geberit concealed cisterns and flush plates represent the ultimate tried and tested solution. Every blow-moulded cistern is factory-made and leak-tested, ensuring maximum operational reliability without unnecessary sealings or leakage. This product features a dual flush with volume adjustment options to help save water.
