UP320 Concealed Dual Flush Cistern

Geberit concealed cisterns are the classics of modern bathroom installations and have been installed millions of times around the world for more than 50 years.

They are known for their reliability, as every cistern is leak-tested before it is delivered. The 25-year guaranteed spare parts availability provides long-term security.

This Cistern is compatible with over 120 Geberit Sigma Flush Plate finishes from the ranges below:

Dual Flush Plate Compatibility – Sigma01, Sigma20, Sigma21, Sigma30, Sigma50, Sigma70 & Sigma80

Single Flush Plate Compatibility - Sigma10 & Sigma30

Geberit products are tested together to comply with EN997 & EN14055 25-year warranty on spare parts
