

# fantini MARÉ

concealed thermostatic triple outlet

shower valve

Fantini designed with a solid body featuring a sleek spout and thin handle, slightly curved in shape. These elements fit together thanks to its smooth design and harmonious proportions. The outcome is a versatile contemporary product.

|                        |                                    |
|------------------------|------------------------------------|
| material               | brass bodied                       |
| finish                 | chrome                             |
| min. required pressure | Pressure (bar) - flow rate (l/min) |
|                        | 0.5 - 7.6                          |
|                        | 1 - 15.43                          |
|                        | 2 - 18.87                          |
