

sailing

concealed thermostatic showering mixer

single outlet

The sailing range designed by Yabu Pushelberg clearly refers to the world of water and Lake Orta, inspired by the poetic reinterpretation of the clear lines and volumes of bollards, the most common form of boat cleats, which are essential elements for securing boats to docks by rope, which this range perfectly portrays and transforms into an elegant decorative detail for the bathroom.

dimensions

3/4" inlets

material

solid brass

finish

matt gun metal PVD

min pressure

3 bar

additional

thermostatic cartridge, the mixer must always be ordered with a stop valve/s
